AMS/SMS 2011/2012
NEW, AMENDED or REVALIDATED
CERTIFICATE APPLICATION

Tax Invoice for GST purposes

This signed form should be returned to Yachting Victoria office with a fee of $55.00 (including GST). The fee may be paid by cheque made out to Yachting Victoria or by credit card on the slip provided below. Your certificate will not be issued until payment is made. Please fax to (61) (03) 9598 7384 or email to ratingoffice@yachtingvictoria.com.au.

The ratings are based on measurements and are not adjusted for individual performance. The system does not include arbitrary factors which are used by other systems to modify ratings for individual boats. Therefore it is important that the adoption of new sails or changes to the boat are immediately advised to an authorised Measurer.

If a boat has not been officially weighed it is given a provisional rating. The boat MUST be weighed on the next weighing day and the certificate amended. Enquires should be made to the Yachting Victoria Office on (61) (03) 9597 0066 or to your local AMS/SMS Measurer in other states.
